Chris,

Hope you are doing well. Jay Wileman, the President and CEO of GE Hitachi, will be in town for a series of meetings on Sept. 21st. Wanted to touch base with you and see if it would be possible to arrange a meeting with the appropriate individuals at CEQ. Really appreciate your assistance. Please let me know if you need additional information.

Thanks,

Michael Zehr

Excellent! Thanks for reaching out. A meeting or a call would be excellent. I know Jack is travelling a bit, so let me get back to you this afternoon with a few proposed times and see if any of those would work on your end. We will be back to you shortly. Thanks again for reaching out. Talk to you soon.
Thanks,
Michael
